SKILLS

- Programming Languages
  - Java
  - JavaScript
  - React
  - NodeJs
  - Python
  - SQL, HTML, CSS
- Tools
  - VS Code
  - IntelliJ IDEA
  - Google Collab
  - Clickup
  - MySQL Workbench
- Others
  - Git
  - Figma
  - Goggle AI studio

LANGUAGES

- English (Fluent)
- Sinhala(Native)

PROFILE

Seeking an internship as a Software Developer to apply programming skills, problem solving abilities and knowledge of modern technologies in real-world projects. Passionate about creating, efficient, impactful software solutions and contributing to innovative development teams.

EDUCATION

- **Informatics Institute of Technology (IIT)** 2024 - PRESENT

  BSc (Hons) in Computer Science (Expected Graduation: 2028)

- **Lyceum International School, Nugegoda** 2009 - 2024

  Pearson Edexcel GCE AdvancedLevel: Information Technology (A), Physics (B), Mathematics (B) - 2024
  Cambridge GCE Ordinary Level: 7 A*s - 2022

EXPERIENCE

PROJECTS

- **IIT Group Project (Linkara)**
  - Designed and deployed an AI-powered event management ecosystem using React, Node.js, and PostgreSQL.
  - Uses Agentic AI and collaborative filtering techniques.
- **Java Based Application**
  - Developed a Java-based command-line application for managing t-shirt orders, customers, and sales reports.
  - Used in-memory data structures and parallel arrays.
- **Web-Scrapper**
  - Developed a Go-based RSS web scraper API to manage users, feeds, and subscriptions.
  - Implemented PostgreSQL-backed storage with SQLC and concurrent background scraping using goroutines.
- **Telegram Bot Using LangChain & Groq LLM**
  - Designed and developed a Python-based Telegram bot using python-telegram-bot, integrated with LangChain and Groq LLM.

CERTIFICATIONS

- **Microsoft Azure AI Fundamentals – Microsoft (2025)**
- **IT Certified Master Course – ICET (2025)**
- **Builder X AI Workshop– ICET and the Ministry of AI (2025)**

ACHIVEMENTS

- **Computer Society of Zahira Collage -** Secured 1st place in the Quiz Competition (2023)
- **Musaeus Collage -** Achieved 3rd place in the Senior Category – Inter-School IT Quiz Competition (2023)
- **Cambridge Learner Awards -** Received Outstanding Learner Awards (2022)

LEADERSHIP AND TEAMWORK

- **Lyceum International School - Nugegoda**

Senior Prefect 2023 - 2024

- Led Initiatives, maintained discipline and organized school events.

Founder/Vice President of Astronomy Society 2023 - 2024

- Initiated society, joined expedition with NASA

Contributed activities as a member of ICT Society 2023 - 2024

- Participated in inter-school IT competitions

EXTRA-CURRICULAR

- First Runners-up of (400m Relay) in Lyceum Inter-house Athletic Championship (Under 19) 2024
- Second Runners-up in Lyceum Basketball Championship 2017
